

SERVICE BRIEF

Official Dell Dealer

Escanaba 's finest Dell reseller.

The technology experts of DS Tech know good technology when we see it.

We specialize in spreading efficiency throughout our clients' businesses.

Dell is one of the world leaders in hardware and software manufacturing, and we have the honor of being an official Dell dealer. Our IT ingenuity combined with Dell's quality technology delivers proven technology solutions to our clients time and again.

As a business technology provider, we understand that we need to provide only the best solutions and products for our clients, which will in turn offer the best chance of success. With over two decades of experience delivering quality technology to its users, the employees at Dell are, without a doubt, technology experts in their own right. Dell manufactures a diverse array of products geared toward boosting your business's productivity, and DS Tech is the top official Dell dealer in the Escanaba community. With our top-tier consultants and Dell's powerful technology solutions, your business is sure to impress its clients and outpace your Escanaba competitors.

Follow Your Dreams With Dell Technology

Make your dreams a reality with proven solutions from DS Tech.

At Dell, they create technology to allow users to realize their deepest and most-anticipated

desires. They believe that technology is the key to

making this happen, and at DS Tech, we agree. We are known among Escanaba small and medium-sized businesses for providing affordable technology solutions designed exclusively for you. We provide a number of services, including::

- Hardware
 - Printing
 - Cloud Computing
- ...and more!

Hardware Solutions From DS Tech

We offer only the best of Dell's hardware solutions, including:

Desktops and Workstations - Whether you are looking for world-renown security in an OptiPlex workstation, or the multitasking management power of Inspiron, DS Tech can work with you to find the most cost-efficient solution for your technological needs.

Laptops, Tablets, and Mobile Devices - DS Tech offers a wide range of laptops, including the professional-grade Latitude series laptops and light-and-affordable Dell Chromebook, among others.

Servers and Networking Units - There are a lot of different servers out there, but you want only the most optimal technology for your business. Whether you need the flexibility of a PowerEdge Tower Server or the high performance of Blade Server Solutions, DS Tech can find the server that will be most optimal for your business.

OFFICIAL DELL DEALER

Printing Solutions

- **Single-Function Laser Printers** - If you need a basic printer without all of the bells and whistle, we can help. Whether you want a simple black-and-white printer or a more colorful palette, we have a solution for you.
- **Multifunction Laser Printers** - Sometimes printers with more functions are extremely useful. If you want a comprehensive scanner-printer combo, a multifunction printer might be the solution for you.
- **Ink, Toner, and Drums** - DS Tech can guarantee you get the best quality print from your device.

Cloud Computing

- **Versatility** - Small and medium-sized businesses deserve the power that an enterprise-level cloud solution brings to larger Fortune 500 companies.
- **Cost-Efficiency** - DS Tech can help you slash operations and maintenance costs with a proper cloud computing solution.
- **Mobility** - Access your business's information anytime, anywhere with cloud computing. Any pre-approved device will be able to access your company information, be it on-the-go or in the comfort of your home.
